Explanation of the CAR Form

Customer's Details

Details of the customer requesting action – can be completed by the customer or the receiving officer.
Necessary for follow up, clarification and to advise of action taken

Receiving Officer to Complete

This section needs to be completed by the officer receiving the request. This is important to record details of when the request was initially made and who will be responsible for following up and dealing with the request. If the receiving officer is not sure of who is the appropriate officer to deal with the request then the CEO should be consulted.

Actioning Officer to Complete

This section needs to be completed by the officer responsible for the respective area of the Shire's operations. The actioning officer is to record what is or has been done to complete the request so the customer can be informed.

If action is not proposed or not necessary a reason should be recorded.

Completion Details

If the customer has requested to be informed of the action taken, then ideally the actioning officer should advise the customer by the customer's preferred method of contact. Otherwise the actioning officer should make arrangements with another staff member to do this. Whoever contacts the customer should complete this section.

Once the request has been completed and the customer informed, the form is to be presented to the CEO to sign. This provides the CEO with the opportunity to gain an understanding of the frequency and nature of requests and how promptly the Shire is dealing with the request.
