Nominating for

**Councillor for Shire of Moora**

Election type

**Ordinary**

Enrolment status

**CLYDESDALE-GEBERT, DENISE is eligible to stand for election as the owner of rateable property in the Shire of Moora.**

I have lived in *Moora* for 18 years. I am currently a Shire Councillor and consider myself experienced in Local Government. Local Government is in rapid change, regional communities are seeing an increase in responsibility on less elected Councillors.

*Moora* population groups have significantly changed, requiring our Shire to deliver a whole new range of changing services now in demand. This requires upgrades in infrastructure/amenities.

Whilst there are many focus points for a representative, at this time, my concerns are for recreational/tourism needs of our community, ensuring our community is engaged as a whole such as green spaces, playgrounds, childcare and health activities.

Our proximity to Perth with excellent transport connections, is a bushchange opportunity to deliver to our community the amenities of regional/city balance, ensuring *Moora* is a great place to live, work and invest.

I look forward to, with your support, continuing to represent your needs into the future. *Thankyou.*
