Purpose of Report

To present the draft Compliance Audit Return for review.

Background

Local governments are required to submit a Compliance Audit Return (CAR) each year. The CAR seeks confirmation by the local government with respect to compliance with the broad suite of legislated obligations.

Comment

Prior to the introduction of the Local Government Inspector, the CAR was due for lodging in by the end of March of each year for the previous calendar year. For the 2025 calendar year, this was postponed to the end of September.

A review of the compliance requirements for Shire of Moora has been undertaken and provided to ARIC. Many of the legislated obligations are not relevant to Shire of Moora and are noted as such. Where compliance was relevant, compliance was achieved in all except three:

CAR Local Government Act s. 3.16 - Has the local government reviewed local laws which have not been reviewed in the previous 8 years, to ensure compliance with Schedule 9.3, Clause 65?

Response - No, in the sense that local laws have not been presented to Council. However, the status of Local Laws has been reviewed. Review period for Local Laws has been extended to 15 years. Cemeteries Local Law is the only one due for Review and will go to Council asap.

Local Government Act s. 5.46 - Has the CEO kept a register of all delegations made under Division 4 of the Local Government Act 1995 to the CEO and to employees?

Were all delegations made under Division 4 reviewed by the delegator at least once during the 2024/2025 financial year?

Response – A Register of Delegations has been kept but the review due during 2025 was not undertaken until OCM April 2026

Local Government (Administration Regulations Reg 19DA - Has the local government reviewed its corporate business plan in accordance with Admin Regulation 19DA(4)? If yes, provide date of review

Response – No. The Shire is in the process of procuring a compliance calendar. The periodic assessment and review of key organisational plans will be added to the calendar as a compliance requirement. The Chief Executive Officer has undertaken a full review of departmental responsibilities, which includes a clear allocation of responsibilities for the review of key organisational plans.
