Dear Maurice,

**REFERRAL OF A LICENCE UNDER THE *ENVIRONMENTAL PROTECTION ACT 1986* –  
REQUEST FOR COMMENT**

The Department of Water and Environmental Regulation (the department) has recently received an application from the Water Corporation on behalf of Rathmona Moora Pty Ltd for a licence under Division 3 Part V of the *Environmental Protection Act 1986* (EP Act) at Rathmona Farm located on Lot 70 on Plan 67751, Lot 9001 on Plan 67751 and Lot 804 on Diagram 421928 for the land application of biosolids. The application is in relation to the following prescribed premises category as listed in Schedule 1, Part 1 of the Environmental Protection Regulations 1987:

Category 61A - Solid waste facility: premises (other than premises within category 67A) on which solid waste produced on other premises is stored, reprocessed, treated, or discharged onto land.

In accordance with section 54 of the EP Act, the Chief Executive Officer (CEO) of the department considers that you may have a direct interest in the subject matter of the application, and invites your comment on the proposal. In addition to any environmental issues, please advise if this proposal is consistent with your local Town Planning Scheme and whether any planning approvals are required. If planning approvals are required, please advise whether an application has been received

The CEO will, after having taken into account any comments received and subject to section 60 of the EP Act, either grant a licence (including any specified conditions) or refuse the licence.

The application form and supporting documentation provided by the applicant is available online at [Assessments for public comment - Department of Water and Environmental Regulation](#) under L3196/2026/1.

Please forward any comments to the address below or forward via email to [info@dwer.wa.gov.au](mailto:info@dwer.wa.gov.au) within 21 days from the date of this letter and please quote L3196/2026/1 on future correspondence and enquiries.

If you have any queries regarding the above information, please contact the Environmental Officer listed above.

Yours sincerely

Stephen Checker
