Dear Mr Battilana,

RE: RATES EXEMPTION REQUEST FOR 19 DANDARAGAN STREET, MOORA

Yued Aboriginal Corporation is requesting an exemption from rates for 19 Dandaragan Street, Moora (the property), on the grounds that the land is used exclusively for charitable purposes and in accordance with section 6.26(2)(g) of the *Local Government Act 1995*.

YAC is the Noongar Regional Corporation for the Yued Indigenous Land Use Agreement Area under the South West Native Title Settlement, dedicated to protecting Yued Noongar cultural heritage, improving community health and wellbeing, and caring for Country.

The property is a significant acquisition for the Yued Community, to serve as an administrative and community hub in Yued Boodja. The hub will provide space for the planning of land management, heritage protection, economic development, and community projects, directly providing employment for local Noongar people.

YAC is a registered charitable organisation with Deductible Gift Recipient status and exists solely for the benefit of the Yued Community. To ensure our limited resources directly support projects rather than administrative overhead, we request an exemption from paying rates.

We appreciate your consideration and look forward to a response on this matter.

Sincerely,

Rewi Lyall
Chief Executive Officer
