

**Shire of Moora  
Ordinary Council Meeting  
21<sup>st</sup> September 2011**

**NOTICE OF MEETING**

Dear Elected Member

The next Ordinary Council Meeting of the Shire of Moora  
will be held on **Wednesday 21<sup>st</sup> September 2011**  
in the **Watheroo Pavilion, Watheroo**  
commencing at **6.30 pm**

A Middleton  
Acting Chief Executive Officer  
16<sup>th</sup> September 2011

## **The Shire of Moora Vision and Mission Statement**

### **Vision**

Our vision is that:

***The Moora region will be a place of brilliant opportunity over the next twenty years. Sustainable growth will result in a vibrant, healthy, wealthy and diverse community.***

### **Mission**

Our mission is:

***To identify and stimulate growth through creative leadership and a willingness to get things done.***

**SHIRE OF MOORA**  
**WRITTEN DECLARATION OF INTEREST IN MATTER BEFORE COUNCIL**

Chief Executive Officer  
 Shire of Moora  
 PO Box 211  
 MOORA WA 6510

Dear Sir/Madam,

**Re: Written Declaration of Interest in Matter Before Council**

I, <sup>(1)</sup> \_\_\_\_\_ wish to  
 declare an interest in the following item to be considered by Council at its meeting to be held on  
<sup>(2)</sup> \_\_\_\_\_.

Agenda Item <sup>(3)</sup> \_\_\_\_\_

The type of interest I wish to declare is: <sup>(4)</sup>

- Financial pursuant to Section 5.60A of the Local Government Act 1995
- Proximity pursuant to Section 5.60B of the Local Government Act 1995
- Indirect Financial pursuant to Section 5.61 of the Local Government Act 1995
- Impartiality pursuant to Regulation 11 of the Local Government (Rules of Conduct) Regulations 2007.

The nature of my interest is <sup>(5)</sup>

---

---

---

The extent of my interest is <sup>(6)</sup>

---

---

---

I understand that the above information will be recorded in the Minutes of the meeting and recorded by the Chief Executive Officer in an appropriate Register.

Yours faithfully,

\_\_\_\_\_  
 Signed

\_\_\_\_\_  
 Date

1. Insert your name.
2. Insert the date of the Council Meeting at which the item is to be considered.
3. Insert the Agenda Item Number and Title.
4. Tick box to indicate type of interest.
5. Describe the nature of your interest.
6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 of the Act).

THIS PAGE HAS BEEN LEFT BLANK INTENTIONALLY.

**SHIRE OF MOORA**  
**ORDINARY COUNCIL MEETING AGENDA**  
**21 SEPTEMBER 2011**  
**COMMENCING AT 6.30PM**

Year to date income and expenditure is provided by program to enable comparison to 2010/11 adopted budget.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATION**

*That Council notes and receives the Statement of Financial Activity for the period ended 31 August 2011.*

**9.1.3 AIRFIELD - MOORA**

**FILE REFERENCE:** PA/3225-1  
**REPORT DATE:** 1 September 2011  
**APPLICANT/PROponent:** Warren & Kylie Vanzetti  
**OFFICER DISCLOSURE OF INTEREST:** Nil

**PREVIOUS MEETING REFERENCES:** 17/2/10 (13/10), 15/7/09 (94/09), 19/11/08 (188/08) & 23/1/08 (9/08)

**AUTHOR:** Allan Middleton, Acting Chief Executive Officer

**ATTACHMENTS:** Nil

**PURPOSE OF REPORT:**

Council has proposed a lease agreement (easement) between the owners of the identified property (Moora airstrip) and the Shire of Moora to secure tenure and define responsibilities and obligations in respect to obtaining a right of easement.

**BACKGROUND:**

Council at a meeting held on the 17<sup>th</sup> February 2010 passed the following resolution:-

*13/10 That Council:-*

- 1) Approve and adopt the plan submitted by Messrs F R Rodda & Co for the proposed easement for the Moora Airstrip located on the property of Messrs W. & K Vanzetti at Lots 1216 & 48 Airstrip Road Moora.*
- 2) Request Messrs F R Rodda & Co to prepare an easement only deposited plan and lodge this with Landgate*
- 3) Request Civic Legal to prepare a draft deed of easement containing all the matters required by the parties to give effect to the arrangement.*

CARRIED 8/0

Research of records indicates the procurement of security over the Moora airfield has been a concern of Council for some years. Correspondence indicates the latest proposal dates back to 2007. Recent decisions have authorised the survey of the easement area and preparation of documentation.

A draft Deed of Right of Airstrip Easement was sent to Mr and Mrs Vanzetti in July 2011 seeking their comment and if satisfactory, arrangements made to have the deed signed and formalised.

Recent discussion between Mr & Mrs Vanzetti, the Shire President and Acting Chief Executive Officer indicated the owners of the land do not favour a lease or Deed of Easement. Mr and Mrs Vanzetti would prefer the current arrangement to remain in place. It was suggested a letter of agreement between the parties detailing the rent payable, access, use and responsibilities of Council and aircraft operators using the strip would be a simple way of ensuring the facility remains. Mr and Mrs Vanzetti believe the easement would restrict their operations and tie up the land. The owners would prefer the airstrip be located elsewhere however, also acknowledge the facility has been used for many decades on an occasional basis.

**COMMENT:**

The owners of the land recognise the facility has been in existence for many years, reportedly since the 1940's and has been used by the general aviation industry on an intermittent basis since that time.

The position, as it currently exists, has the owners accepting the fact the airfield is providing a service to the town and is reluctant to stop usage of the facility. They feel however, that a

lease or easement agreement will remove the flexibility they now have with the use of the land.

The airfield would adequately service the needs of the community if it was completely under Council control. Unfortunately the need to contact the land owner when using the strip is a negative aspect to using the strip, especially if the owners are absent. The need for owners to open the gate separating the two parcels of land is inconvenient to them. The main strip has adequate length to service aircraft of approximately 5000 kg. Council now must decide what long term action needs to be taken. The airfield is serviceable and adequate but only accommodates two way take off and landing configuration; ideally a full length crossway strip would be a better proposition. Having said that the strip is an asset to the town and with the work undertaken (i.e. surfacing) represents a substantial investment in the infrastructure by Council.

Discussion with Mr Warren Vanzetti indicates the initial approach to Council was to seek recognition for loss of land usage and it was not intended the land be leased. Council records do not give a clear indication on what was discussed in the early stages, whether a lease was mentioned or intended, it is assumed the lease proposal may have been raised by a council officer to ensure the Shire of Moora had some security over the airfield.

The problem associated with the current position is that the existing agreement appears to be influenced by both Contract Law and Property Law and a clear cut solution is not readily available. I did mention the lodgement of a caveat against the property to provide some tenure for council and to ensure any prospective purchaser is aware of an encumbrance should a lease or easement agreement not be resolved. In the event of an exchange of letters being the final resolution, Council may wish to investigate the use of Section 70A of the Transfer of Land Act which provides:-

**70A. Factors affecting use and enjoyment of land, notification on title**

- (1) Where, in relation to land under the operation of this Act —
- (a) the local government of the district in which the land is situated; or
  - (b) a public authority,

*considers it desirable that proprietors or prospective proprietors of the land be made aware of a factor affecting the use or enjoyment of the land or part of the land, the local government or the public authority may, on payment of the prescribed fee, cause a notification of the factor to be prepared in an approved form and lodged with the Registrar.*

**POLICY REQUIREMENTS:**

Nil

**LEGISLATIVE REQUIREMENTS:**

Depending on what decision Council makes there may be implications under various legislations including the Transfer of Land Act.

**STRATEGIC IMPLICATIONS:**

An airstrip is important for the Shire of Moora from a strategic viewpoint. It provides transport access for commercial, health and industrial activities. Future initiatives such as service industries, fly-in fly-out operations and flying schools may depend on a serviceable airstrip being available close to the Moora townsite.

**SUSTAINABILITY IMPLICATIONS:**

➤ **Environment**

There are no known significant environmental implications associated with this proposal.

➤ **Economic**

The development of an airfield will contribute towards the economic growth of a town and district. Successfully promoted and marketed an airfield can assist in attracting business, industry and tourism to a district.

➤ **Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

Depending on the decision reached there may be long term financial implications both from a capital investment and recurrent expenditure perspective.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATIONS**

*Council*

- (1) Seek further advice on the implication of continuing with the current agreement and the status of the Shire of Moora entering into an agreement via an exchange of letters.*
- (2) Pursue the use of section 70A of the Transfer of Land Act notification to advise the proprietor and prospective proprietors of the existence of an airfield on the property.*
- (3) staff (a) identify parcels of land within reasonable distance of the Moora townsite that may be suitable for an airstrip (b) make enquiries as the likely purchase price of the existing land parcel where the airfield is located (c) enquire as to the possible purchase of land that may be exchanged for the existing airfield land parcel. (d) continue discussions with the land owners to seek a long term solution that may be acceptable to both parties.*

**9.1.4 PURCHASE LOT 371 CNR KEANE STREET & RILEY ROAD, RESERVE 30860 CLT 3154/806**

**FILE REFERENCE:** GA/DOL & B/AGD  
**REPORT DATE:** 1 September 2011  
**APPLICANT/PROPONENT:** Department of Regional Development & Lands  
**OFFICER DISCLOSURE OF INTEREST:** Nil  
**PREVIOUS MEETING REFERENCES:** 18 May 2011  
**AUTHOR:** Leanne Parola, Manager Finance & Corporate Services

**ATTACHMENTS:** Nil**PURPOSE OF REPORT:**

For Council to consider the use of Reserve Funds for the purchase of the former Agriculture Department Depot.

**BACKGROUND:**

At the Ordinary Meeting of Council held 18 May 2011, Council resolved to:

*“advise the Department of Regional Development and Lands, State Lands Services that it is prepared to purchase Lot 371, Reserve 30860 Riley Road, Moora on a freehold basis at a cost of \$10,000.”*

Unfortunately no funds were included in the 2011/12 Budget for the purchase of this property.

**COMMENT:**

If Council still wishes to purchase this property, funds from the Community Facilities Reserve could be utilised to pay for the purchase. The previous report to Council indicated that there was contamination on the site. In purchasing the property, Council will become responsible for any costs associated with investigating and remediating the site and complying with environmental legislative requirements.

**POLICY REQUIREMENTS:**

Council does not have a policy in regard to the purchase of freehold land.

**LEGISLATIVE REQUIREMENTS:**

There are no known legislative requirements related to this item.

**STRATEGIC IMPLICATIONS:**

The purchase of this land has not been identified in any Council strategy.

**SUSTAINABILITY IMPLICATIONS:****➤ Environment**

As previously mentioned in the report to Council at the Ordinary Meeting of Council held 18 May 2011, the land in question is known to be contaminated.

**➤ Economic**

Depending on the cost to manage the contamination on the land, the purchase of land on the main road through town for future resale could have economic benefit to the Shire. In the meantime, there will be a small opportunity cost by utilising reserve funds for the purchase.

**➤ Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

It is proposed to utilise funds from the Community Facilities Reserve to purchase this property, which will not have an impact on the current budget position.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATION**

*That the purchase of Lot 371, Reserve 30860 Riley Road, Moora for \$10,000 be funded from the Community Facilities Reserve.*

**9.1.5 FIREBREAK ORDER**

**FILE REFERENCE:** PL/POPI  
**REPORT DATE:** 12 September 2011  
**OFFICER DISCLOSURE OF INTEREST:** Nil  
**PREVIOUS MEETING REFERENCES:** Nil  
**AUTHOR:** Allan Middleton, Acting Chief Executive Officer  
**ATTACHMENTS:** Nil

**PURPOSE OF REPORT:**

To amend the Shire of Moora Bush Fire Break Order Policy in order to provide clarity and enable the responsible officer to undertake inspection duties as intended by the Bush Fire Act.

**BACKGROUND:**

Council adopts a bushfire break order each year to ensure firebreaks are installed on properties within the Shire boundaries. The order as it is currently structured creates some ambiguities. The wording for firebreaks on rural properties is not clear and should an infringement be contested it is highly likely the prosecution would fail.

**COMMENT:****The firebreak order for rural properties reads:-**

*On or before the 31<sup>st</sup> day of October firebreaks must be provided not less than two metres in width inside and along the whole of the external boundaries of the properties owned or occupied, where this is not practicable the firebreaks must be provided as near as possible to, and within, such boundaries with the exception that firebreaks can be modified or not required if after consultation with the Brigade Captain and neighbours it is decided that a natural barrier or man made structure will act as a firebreak and maintained free of inflammable material until the 4th Saturday in the following March.*

It could be interpreted that a location of any size only needs a fire break around its external boundary and does not take into account a situation where a road may divide the location. In many instances fires are started adjacent to road sides when motorists throw cigarette butts from vehicles. A simple amendment to the order will correct this anomaly.

Council policy also requires a land owner to be given 14 days notice to install a fire break after the inspection. This in effect provides a land owner up to 28 days (depending on time of inspection) to install fire breaks after the due date. This is a dangerous policy in that, should a fire escape and cause damage to neighbouring properties a court would undoubtedly criticise Council for not fulfilling its obligations under the Act. Worse still hold council liable for damage caused.

The doctrine of “Separation of Powers” needs to be acknowledged as the policy is directing staff to effectively break a local law (i.e. the fire break order). The ranger in carrying out his duties will use discretion and where a firebreak is not up to standard a warning will be given to enable the land owner improve the defective break. Where no fire break has been installed the landowner should receive an infringement notice and made to install the break immediately. This is for the protection of the district as a whole.

Undoubtedly the vast majority of land owners are responsible and “do the right thing” by complying with the order. The small minority, not complying with Council’s directive and endangering the community, should be penalised as provided in the Bush Fire Act.

**POLICY REQUIREMENTS:**

The current policy as appearing in the Policy Manual to be amended by deleting paragraphs (3) and (4) and adding a new clause requiring land owners to install a fire break on land adjacent to a public road.

**LEGISLATIVE REQUIREMENTS:**

The head of power providing power to a Local Government Authority to require landowners to install fire breaks is contained in Section 33 of the Bush Fires Act.

**STRATEGIC IMPLICATIONS:**

There are no known strategic implications associated with this proposal.

**SUSTAINABILITY IMPLICATIONS:**

➤ **Environment**

There are no known significant environmental implications associated with this proposal.

➤ **Economic**

There are no known significant economic implications associated with this proposal.

➤ **Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

There are no financial implications to Council in relation to this item.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATION**

*The Shire of Moora Fire Break policy and order to be updated as follows:-*

*Policy to now read:-*

- a) delete “On or before the 4<sup>th</sup> Saturday on October” and replace with “On or before the 31st of October” firebreaks must be provided not less than 2.7 metres in width inside and along the whole of the external boundaries of the properties owned or occupied.*
- b) Including a “full stop” after the word occupied appearing in the second line; and*
- c) including the words “where a property is divided by a public road a fire break, as described, shall also be constructed on the boundary of the property adjacent to that public road.”*

*The fire break order to now read:-*

*On or before the 31st of October firebreaks must be provided not less than 2.7 metres in width inside and along the whole of the external boundaries of the properties owned or occupied. Where a property is divided by a public road a fire break, as described, shall also be constructed on the boundary of the property adjacent to that public road. Where this is not practicable the firebreaks must be provided as near as possible to, and within, such boundaries with the exception that firebreaks can be modified or not required if after consultation with the Brigade Captain and neighbours it is decided that a natural barrier or man made structure will act as a firebreak and maintained free of inflammable material until the 4th Saturday in the following March.*

### 9.1.6 SALE OF ROUND HILL HALL

**FILE REFERENCE:** B/ROH1  
**REPORT DATE:** 16 September 2011  
**APPLICANT/PROPONENT:** Various  
**OFFICER DISCLOSURE OF INTEREST:** Nil  
**PREVIOUS MEETING REFERENCES:** 17/8/11 (Item 12.1), 20/7/11 (Item 11.1) 18/8/10  
(Item 11.4.2)  
**AUTHOR:** Leanne Parola, Manager Finance & Corporate Services  
**ATTACHMENTS:** Contract for Sale of Land by Offer and Acceptance

**PURPOSE OF REPORT:**

To consider public submissions in relation to the sale of Round Hill Hall to Mr Benjamin Tonkin for the sum of \$16,100.

**BACKGROUND:**

At the Ordinary Meeting of Council held 18 August 2010, Council resolved unanimously to advertise the sale of the Round Hill Hall by private treaty and to ensure that the building is kept closed from the public until sold.

The property was advertised and one submission was received from the Steering Committee of Round Hill Hall to purchase the hall for \$500. The Committee was notified in writing thanking them for the offer and noting that the offer presented would not be accepted.

The property was listed with a local real estate agent, Harcourts Realty, which has since changed names to Central Midlands Realty, for the purpose of selling and achieving a more respectable sale offer.

Council resolved at its Ordinary Meeting held 17 August 2011 to advertise its intention to dispose of Lot 50 Moora Miling Road, Round Hill (the Round Hill Hall) to Mr Benjamin Tonkin for the sum of \$16,100.

**COMMENT:**

An advertisement was placed in the Central Midlands and Coastal Advocate and on the Shire's public notice board in accordance with Council's resolution.

A higher offer for the purchase of the Round Hill Hall was received during the submission period. Paul Oliver and Susan Oliver of Herne Hill have made an offer of \$18,000 for the purchase of the property. No other submissions were received before the close of the submission period.

**POLICY REQUIREMENTS:**

Council adopted an Asset Management Policy on 15 September 2010 which includes a key principle of "rationalising assets that are no longer used or do not provide the necessary level of service required to sustainably deliver the service for which the asset was required".

Council has previously resolved to sell the Round Hill Hall as it is not viable to bring it to the condition required to re-open it as a public building for the amount of use it would have.

**LEGISLATIVE REQUIREMENTS:**

Section 3.58(3) of the Local Government Act 1995 requires that local public notice of the proposed disposition to be given before agreeing to dispose of the property. The notice must include the following:

- i) a description of the property
- ii) details of the proposed disposition including
  - (a) the names of all other parties concerned
  - (b) the consideration to be received by the local government for the disposition
  - (c) the market value of the disposition either as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.

Council must consider any submissions received before the property can be disposed of and record the reason for its decision in the Minutes.

Harcourts completed a preliminary market evaluation in August 2010 to the best of their ability with \$25,000 for the building(s) and \$10,000 for the property. It is unlikely that this value will have changed significantly since that time.

**STRATEGIC IMPLICATIONS:**

There are no known strategic implications associated with this proposal.

**SUSTAINABILITY IMPLICATIONS:**➤ **Environment**

There are no known significant environmental implications associated with this proposal.

➤ **Economic**

There are no known significant economic implications associated with this proposal.

➤ **Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

The 2011/12 Budget did not include the sale of the Round Hill Hall. If the sale of the Hall is agreed to, it will result in additional capital income of \$18,000 this financial year, and the ongoing benefits of receiving additional rates and reducing operating expenditure.

**VOTING REQUIREMENTS:**

Simple Majority Required

**OFFICER RECOMMENDATION**

*That Council accept an offer of \$18,000 for the purchase of Lot 50 Moora-Miling Road, Round Hill (the Round Hill Hall) from Paul Oliver and Susan Oliver as it is higher than the advertised offer of \$16,100.*

**9.2 HEALTH, BUILDING & PLANNING SERVICES****9.2.1 TOWN PLANNING OCCASIONAL COMMITTEE**

**FILE REFERENCE:** TP/PTMO3

**REPORT DATE:** 8 September 2011

**OFFICER DISCLOSURE OF INTEREST:** Nil

**PREVIOUS MEETING REFERENCES:** N/A

**AUTHOR:** Allan Middleton, Acting Chief Executive Officer

**ATTACHMENTS:** Nil

**PURPOSE OF REPORT:**

To recommend the establishment of an occasional committee to investigate the identification of land for future residential and industrial purposes.

**BACKGROUND:**

As Council is aware land has been purchased in the Tootra Street area for industrial purposes. As a result of the 1999 floods the Shire of Moora Local Planning Scheme No. 4 (Gazetted in March 2011) identified the floodway and flood fringe areas within the Moora townsite; these were included in the planning scheme and detailed in Schedule 12 – Flood Zone Classification Map.

In adopting the Scheme, Council included clause 4.11.3 (b) which effectively prohibits the construction of a building in the floodway unless that building replaces an existing building. The clause does not allow Council any discretion.

In an endeavour to develop the area, application for an infrastructure grant was made to the Wheatbelt Development Commission and Landcorp was invited to develop the land as a joint partner.

**COMMENT:**

A meeting was held with Mr Robert Fenn, Landcorp, Ms Rebecca Kelly and Mr Grant Arthur Wheatbelt Development Commission. In attendance were Cr Denise Clydesdale-Gebert, Cr Robert Keamy, Acting Chief Executive Officer, Allan Middleton, Manager Engineering Services, Mr John Greay and C.E.O Personal assistant, Mrs Michelle Murray.

The purpose of the meeting was to determine what progress, if any, has been made in regards Council's applications to progress financial assistance or proposed development in the establishment of residential and industrial sites through the assistance of Landcorp.

The discussions highlighted the following points:-

1. The Shire of Moora Town Planning Scheme No. 4 has no discretionary powers in relation to permitting building development within the floodway.
2. The scheme is too descriptive in its development philosophy.
3. Council needs to identify an alternative site for its light industrial, industrial and service type industries.
4. Council needs to determine where it wants long term residential development to occur.
5. It is highly unlikely the Tootra Street development will receive development support from Landcorp.
6. A decision needs to be made on the current allocation of \$251,000 set aside by the Wheatbelt Development Commission to assist in the development of the industrial site.
7. Depending on the speed at which a decision can be made on any proposed site selection for industrial development it may be necessary for Council to seek a deferment of the \$251,000 grant or seek to have it reapplied to another site.

**POLICY REQUIREMENTS:**

Nil

**LEGISLATIVE REQUIREMENTS:**

Council has the power under Section 5.8 and 5.9 to establish a committee to assist it exercise the powers and duties as prescribed under the Local Government Act.

**STRATEGIC IMPLICATIONS:**

There are no known strategic implications associated with this proposal.

**SUSTAINABILITY IMPLICATIONS:**

➤ **Environment**

There are no known significant environmental implications associated with this proposal.

➤ **Economic**

There are no known significant economic implications associated with this proposal.

➤ **Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

There are no financial implications to Council in relation to this item.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATION**

*An occasional committee of Council to be structured to recommend to Council what sites should be selected as proposed, Residential, Industrial and Light Industrial sites within or in close proximity to the Moora townsite.*

- 1. A committee comprising three Councillors, the Chief Executive Officer, Manager for Community and Economic Development Services and Manager for Engineering Services be appointed to undertake the investigation.*
- 2. Council representation on the committee to be Crs.....*
- 3. The committee will not have any delegated authority and shall report any relevant finding back to Council.*
- 4. The functions of the committee will be*
  - a) Identify land in and around the Moora townsite that will be suitable for residential and industrial use.*
  - b) The investigation to take into account any impact resulting from industrial and residential development should such development be located in close proximity to each other.*
  - c) What buffer zones need to be created to lessen the impact of industrial areas on residential precincts?*
  - d) Determine if there is a need to provide a 'service industry' link between industrial and residential precincts?*
  - e) Consider the cost of extending services and infrastructure to any sites selected.*

**9.2.2 PROPOSED SUBDIVISION APPLICATION – LOT 3 ATBARA STREET, MOORA**

**FILE REFERENCE:** A825  
**REPORT DATE:** 12 September 2011  
**APPLICANT/PROPONENT:** Mr Thomas John Simpson  
**OFFICER DISCLOSURE OF INTEREST:** Nil  
**PREVIOUS MEETING REFERENCES:** Nil  
**AUTHOR:** Allan Middleton, Acting Chief Executive Officer  
**ATTACHMENTS:** 1. Location Plan 2. Subdivision Plan

**PURPOSE OF REPORT:**

To provide information to the Shire of Moora to allow it to comment on an application to subdivide land zoned Rural Residential.

**BACKGROUND:**

Lot 3, Atbara Street, Moora is zoned "Rural Residential" and located in a RR3 descriptive area. Schedule 10 requires the following:-

The minimum lot size for subdivision should be no less than 1.0 hectares where a reticulated water supply is available to the proposed Lots, and subject to:

- (i) The preparation by the proponent of a land capability assessment to the satisfaction of the local government and the Commission; and
- (ii) A Subdivision Guide Plan prepared by the proponent in accordance with the findings of the land capability assessment; and
- (iii) Building envelopes being identified in the Subdivision Guide Plan having regard to the extent of land liable to flooding; and

- (iv) A statement of arrangements for drainage and on-site effluent disposal to the satisfaction of the local government.

**COMMENT:**

The proposal is relatively simple with the application seeking to subdivide the existing lot into two parcels. The Scheme text requires a land capability study to be undertaken when subdivision occurs. As the existing lots have been in existence for some time and the land cleared, a land capability study is not necessary. Scheme water is available to both lots.

The proponent has created a ten metre battleaxe on the western side of the new lot to provide access for water and power to the southern lot. This access should be marked "For power and water access only."

**POLICY REQUIREMENTS:**

Nil

**LEGISLATIVE REQUIREMENTS:**

There are no known legislative requirements related to this item.

**STRATEGIC IMPLICATIONS:**

There are no known strategic implications associated with this proposal.

**SUSTAINABILITY IMPLICATIONS:****➤ Environment**

There are no known significant environmental implications associated with this proposal.

**➤ Economic**

There are no known significant economic implications associated with this proposal.

**➤ Social**

There are no known significant social implications associated with this proposal.

**FINANCIAL IMPLICATIONS:**

There are no financial implications to Council in relation to this item.

**VOTING REQUIREMENTS**

Simple Majority Required

**MANEX RECOMMENDATION**

***Western Australian Planning Commission Application: 144813 to subdivide Lot 3 Atbara Street, Moora into two parcels of land be supported by the Shire of Moora on the following conditions:-***

- (1) Cross over to the proposed lot to be installed at the expense of the proponent.***
- (2) Proposed residence to be constructed within the building envelope shown coloured red on the subdivision application plan as endorsed by Thomas Simpson.***

- (3) *Septic disposal system to be constructed to the design and specification of the Shire of Moora and the Department of Public Health.*

**9.3 COMMUNITY & ECONOMIC DEVELOPMENT**
