OFFICER DISCLOSURE OF INTEREST: Nil

PREVIOUS MEETING REFERENCES: Nil

AUTHOR: David Trevaskis, Deputy Chief Executive Officer

ATTACHMENTS: Corporate Business Plan and Long Term Financial Plan

PURPOSE OF REPORT:

Annual review and reprioritisation of activities to ensure that the Shire is capable of meeting Corporate Business Plan (CBP) priorities and long term priorities established by the draft Strategic Community Plan 2018 – 2028.

BACKGROUND:

The CBP is the document that evidences the transfer of strategic goals, objectives and outcomes in actions and projects. The CBP covers all the Shire's operations for the four year period July 2018 to June 2022. It is a rolling plan subject to review annually and is integrated with Asset Management and the Long Term Financial Plan.

The Long Term Financial Plan is a 10 year rolling plan (July 2018 – June 2028) that informs the CBP in the activation of Strategic Community Plan priorities. It enables the Shire to set priorities based on resourcing capabilities and is an indicator of the Shire's long term financial sustainability. To retain alignment with the CBP the Long Term Financial Plan needs to be a rolling and iterative document that is subject to annual review.

COMMENT:

The draft CBP (July 2018 – June 2022) and Long Term Financial Plan (July 2018 – June 2028) were presented to council for discussion in June 2018 as part of the annual budget process.

APPLICANT/PROPONENT: Desmond King

OFFICER DISCLOSURE OF INTEREST: Nil

PREVIOUS MEETING REFERENCES: Nil

AUTHOR: Alan Leeson, Chief Executive Officer

ATTACHMENTS: Plans

PURPOSE OF REPORT:

Council is in receipt of an application from Mr Des King the proponent, who seeks Council approval to construct a 1.8m high Garrison front fence with an electric opening gate and to replace part of the side fence that has rusted and in need of replacing. He wishes to come inside his boundary 1.5m to construct the fence and have the side fence finish at 1.5m where the front fence starts.

BACKGROUND:

38 Kintore Street is in the Residential Zone in the Town Site of Moora, the Shire Fencing By-Laws allows for a 1.2m high front fence and a truncated side fence from 1.8m to 1.2m commencing from in line with the side of the house to the front boundary to allow sight lines. It is permitted to have a higher fence but it must be an open style fence to allow for sight lines when backing out of the yard in a vehicle. Council has the power to vary this requirement upon request from the public.

COMMENT:

The proponent Mr King wishes to replace his front fence and include an electric opening gate for security reasons. The Garrison style fence allows this ability to see through the fence and meets the requirements of the Shire Fencing By-Laws.

9.2.2 HERITAGE LIST

REPORT DATE: 3 July 2018

APPLICANT/PROPONENT: Shire of Moora

OFFICER DISCLOSURE OF INTEREST: Nil

PREVIOUS MEETING REFERENCES: 16/8/17 (resolution 153/17)

AUTHOR: Peter Williams, Manager Development Services

ATTACHMENTS: Heritage List

PURPOSE OF REPORT:

To provide to Council a Heritage List of properties within the Shire that have been identified by members of the Heritage Committee as worthy of recognition for their contribution to the History of the Shire of Moora.

BACKGROUND:

On the 16th August 2017 Council approved the Shire of Moora Heritage Policy which referred to the Shire Heritage List which was at that stage yet to be developed. The Heritage committee has worked hard to develop this Heritage List as a starting point in determining those properties within the Shire that warranted recognition for their part in the history of Moora. The committee agreed that it should not stop owners of properties from where necessary demolishing buildings that are on this list however instead that a plaque should be placed at the front of the property recognising the significance of the property. These plaques will describe the property which could be included in a walking trail map of Moora similar to

the maps provided for the City of Claremont showing a story of the various premises depicted on the map. This has the possibilities of keeping caravanners and visitors to Moora in the Town, and allowing them to learn about Moora's history. The Heritage Council does make allowance for the provision of such plaques but only a limited number are available each year upon application.

COMMENT:

Once Council approves the list it will be advertised to the public for comment after which possible changes can be made to a public approved Shire of Moora Heritage List. The list will be recognised by Council as those premises of primary significance to the History of Moora and worthy of recognition by placement of a plaque at the front of the property.

BACKGROUND:

The Great Northern Highway has been undergoing upgrades for a number of years and this will be the last within the Shire of Moora. Council would have witnessed these upgrades during that time.

COMMENT:

At Walebing, Main Roads have identified the need to resume land from council property (where the old Walebing Hall was once situated) for this road improvement. The normal practice is to make an offer for the land and request consent to enter the land that they require for the upgrade.

An offer has been presented and is attached for councils' consideration. In addition to making this offer Main Roads are also seeking consent from the Shire to enter Lot 1 for the purpose of – refer letters attached:

- The above outlined accommodation works;
- for access to construct the portion of the Great Northern Highway realignment within the 5,808m² of land required from Lot 1 for the project; and
